Memorandum of Understanding

This Memorandum of Understanding (MOU) made on 20th Jan of 2025 at GEC, Bhojpur between:

INTERNBEE - BY DOORAWAY TECHNOLOGIES PVT.LTD., is a certified company operating under ISO 9001:2015 standards. Additionally, Internbee holds authorization from prestigious entities such as AICTE in New Delhi, along with recognition from MSME and the Ministry of Corporate Affairs in New Delhi. having its Corporate office at Block A, 5th floor, Maurya Lok complex, Patna, Bihar 800001 and is represented herein this by its **Founder Rajababoo kumar**, who is duly authorized to sign this document on behalf of **INTERNBEE - BY DOORAWAY TECHNOLOGIES PVT.LTD.** (hereinafter referred as "INTERNBEE - BY DOORAWAY TECHNOLOGIES PVT.LTD." or "Client", which expression shall unless repugnant to the context or meaning thereof, be deemed to mean and include his successor in office or assignee) of the FIRST PARTY.

AND

Government Engineering College, Bhojpur, having its campus at **AT- South East Ramna Road, Near Maharaja College, Arrah - 802301**, and is represented by **Principal Dr C. B Mahto**, who is duly authorized to sign this document on behalf of **Government Engineering College, Bhojpur** (hereinafter referred as, "Academic Partner" which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its successors-in-interest and assignee) of the SECOND PARTY.

The purpose of this MoU is to establish a collaborative partnership **INTERNBEE (BY DOORAWAY TECHNOLOGIES PVT.LTD.)**, and **Government Engineering College, Bhojpur** for the mutual benefit of both entities. The scope of collaboration includes but is not limited to skill development programs, industry-oriented training, internship training, and career-building initiatives.

NOW THIS MEMORANDUM OF UNDERSTANDING WITNESSES AND IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERE TO AS FOLLOWS:

A. Roles & Responsibilities of INTERNBEE - BY DOORAWAY TECHNOLOGIES PVT.LTD.

- 1. Skill Development Programs:** **INTERNBEE**, being a certified company operating under ISO 9001:2015 standards, is well-equipped to design and deliver skill development programs tailored to industry requirements. These programs may encompass technical skills, soft skills, and other competencies deemed essential for employability in various sectors.
- 2. Industry-Oriented Training:** Leveraging its expertise and industry connections, **INTERNBEE** can provide training programs that are aligned with current industry trends and demands. This includes practical training sessions, workshops, and seminars conducted by industry professionals to enhance students' understanding of real-world scenarios and challenges.

3. **Internship Training:** INTERNBEE facilitates internship opportunities for students, enabling them to gain hands-on experience in their respective fields of study. These internships may be arranged with partner companies or within the internal projects of INTERNBEE, providing valuable exposure to industry practices and workflows.
4. **Career-Building Initiatives:** INTERNBEE collaborates with Government Engineering College, Bhojpur to organize career fairs, guest lectures, and networking events aimed at connecting students with potential employers and industry leaders. These initiatives help students explore career pathways, build professional networks, and make informed decisions about their future endeavors.
5. **Certification and Endorsement:** As a recognized entity with authorization from prestigious bodies such as AICTE, INTERNBEE may issue certifications or endorsements for training programs and initiatives conducted in partnership with Government Engineering College, Bhojpur. These certifications add value to students' resumes and validate their skills and competencies in the eyes of prospective employers.

B. Roles & Responsibilities of Government Engineering College, Bhojpur

1. **Curriculum Integration:** Government Engineering College, Bhojpur integrates the skill development programs and industry-oriented training modules provided by INTERNBEE into its existing curriculum. This ensures that students have access to relevant and up-to-date learning resources that complement their academic studies.
2. **Faculty Training and Development:** The College may arrange training sessions and workshops for its faculty members to enhance their pedagogical skills, industry knowledge, and understanding of emerging technologies and trends. This enables them to effectively deliver the joint programs and initiatives developed in collaboration with INTERNBEE.
3. **Student Participation and Engagement:** Government Engineering College, Bhojpur encourages active participation and engagement of its students in the skill development programs, internship opportunities, and career-building initiatives facilitated by INTERNBEE. This may involve promoting awareness, organizing information sessions, and providing logistical support to ensure maximum student involvement.
4. **Quality Assurance:** The College ensures the quality and relevance of the joint programs and initiatives conducted in partnership with INTERNBEE by monitoring student feedback, assessing learning outcomes, and making necessary adjustments to improve effectiveness and efficiency.

5. **Placement Assistance:** Government Engineering College, Bhojpur offers placement assistance and career counselling services to its students, leveraging its network of industry contacts and alumni connections. The college collaborates with INTERNBEE to identify internship and job opportunities that align with students' interests, skills, and career aspirations.
